Dated Calcutta, the 13th August 1889.

From—MAJOR A. D. McARTHUR, R.E., and W. H. NIGHTINGALE, Esq., M.I.C.E.,
 To—The Secretary to the Government of Bengal, Public Works Department.

Quarterly Inspection of the Kidderpore Dock Works.

We have the honour to report that, in accordance with the instructions contained in the Government of Bengal's letter No. 1584 Marine, dated the 17th July 1889, we made the ninth quarterly inspection of the works at the Kidderpore Docks, as shown in the progress report submitted by the Superintending Engineer of the Docks on the 5th July last.

2. The index plan with tabular statement showing work done during the quarter under report, and the total quantity of work executed from the commencement of the Docks, which have been prepared by the Superintending Engineer in charge of the Works, are with Government.

PERMANENT WORKS.

Sixty-feet Lock.—About 6½ lakhs of excavation were taken out and over 3 lakhs masonry and 19,904 square feet of foundation were done during the quarter. The two end and centre sections of the lock have been built up to coping level. The founding of the intervening sections was well in hand on our inspection, and arrangements were being made for the erection of the gates.

Eighty-feet Entrance.—Over 3 lakhs of excavation were taken out, and 165,000 cubic feet of masonry and 14,876 square feet of foundation were done during the quarter. The foundation of this work is now well in hand.

Tidal Basin.—Over 1½ lakhs of excavation, including that for quay wall foundation, were taken out. Work on the quay walls was stopped pending further progress on the eighty-feet and double entrances.

Graving Dock.—This work is now well in hand, and good progress may be expected. During the quarter, about 7 lakhs of excavation were removed and nearly 4 lakhs of masonry and 31,743 square feet of foundation were done.

Double Entrance.—Over 2 lakhs of excavation were taken out and nearly 2½ lakhs of masonry and 15,113 square feet of foundation were done. This work is now in good progress.

Dock No. 1.—Up to date about 80 per cent. of the total quay wall masonry has been completed and about half the total excavation taken out. During the quarter, 354 running feet foundation and 201,561 cubic feet masonry were done, and 56½ lakhs of excavation removed.

Boat Canal.—The piers and abutments for the road bridges were commenced, and good progress was made with them, and excavation for the foundations for the lift lock and syphon culvert was commenced.

Expenditure.—The total expenditure up to end of the quarter was reported to be Rs. 1,43,91,973, of which Rs. 1,17,91,094 were spent on account of works and Rs. 26,00,879 for land.

SANITARY.

The average number of work people employed was 10,027, among whom there were 143 deaths (53 of these being from cholera), showing a death-rate of 15.84 per thousand per annum.

GENERAL REMARKS.

We are of opinion that fair progress has been made with the works, and that, so far as we have been able to judge from our inspection, the character of the work is satisfactory.

NOTIFICATION—No. 124Mbe.

The 17th August 1889.—In supersession of the Notification No. 6 Marine of the 5th March 1888, published at Part I, page 196 of the *Calcutta Gazette* of the 7th March 1888, and in exercise of the powers conferred on him by clause (b) of section 16 of Act IV (B.C.) of 1889 (the Chittagong Port Commissioners' Act, 1887) the Lieutenant-Governor is pleased to place the Mohekhally Channel, in the district of Chittagong, under the management of the Commissioners of the Port of Chittagong, with effect from the 1st of April 1889.

Resolution.—A notification should be published in a *Bombay Government Gazette* Extraordinary bringing the B Quarantine Rules into operation at Aden and Perim against arrivals from Bussorah.

2. Copies of the notification should be forwarded to the Political Resident, Aden, and the other Officers and Departments concerned, for information, with reference to Government Resolution No. 3223, dated 9th instant. Copies should also be forwarded to the Governments of India, Bengal, Madras and Ceylon, and the Chief Commissioner, Burmah.

J. DEC. ATKINS,

Acting Under-Secretary to Government

Bombay Castle, 12th August 1889.

No. 3247.—In exercise of the power conferred by Act I of 1870, the following Rules for Quarantine against Cholera have been made by the Government of Bombay, with the previous sanction of the Governor-General in Council: they have effect from the 8th instant in the Ports of Aden and Perim as a temporary measure:—

- I.—The Commander of every vessel, including buggalows or other native craft, arriving from Bussorah, shall, before entering the harbour, indicate by signal the port from which such vessel has come.
- II.—Such Commander shall not, except as hereinafter provided, allow any communication, either with the pilot boat, except orally, or with the shore, or with any other vessel or boat in the harbour.
- III.—Immediately on arrival, the Commander shall cause the letter **M** of the Commercial Signal Code to be hoisted, and shall keep the said flag flying during his stay in port, or until authorized by the Health Officer to haul it down. If communication with the shore is not desired, the vessel shall anchor at such place as may be pointed out by the Port authorities, having regard to the season of the year. If communication with the shore is desired, the Health Officer shall go alongside the vessel, and, after all

necessary enquiries, shall direct the Commander to take the vessel to the quarantine anchorage duly appointed and notified in that behalf by the Resident, there to remain for a period of seven days from the date of arrival, or for the shorter period prescribed in Rule IV, and undergo disinfection, which should apply as well to crew, passengers, effects, and susceptible goods.

IV.—If the Health Officer of the Port has sufficient evidence that no cases of a suspicious nature have taken place on board during the voyage, and if the vessel is besides in good hygienic condition, the duration of the quarantine will be diminished according to the following scale:—

After eight days of voyage	six days of quarantine.
Do. nine ditto	five ditto.
Do. ten ditto	four ditto.
Do. eleven ditto	three ditto.
Do. twelve ditto	two ditto.
Do. thirteen ditto and upwards	twenty-four hours of quarantine.

V.—If during the period a vessel is at the quarantine anchorage aforesaid, any case or cases of cholera should occur on board, the said vessel shall remain in quarantine for a period of seven days from the date of the last case occurring, and be subject to all the prohibitions provided for in Rule III.

VI.—When any vessel has been placed in quarantine as aforesaid, the Health Officer may direct the removal of so many of the passengers and crew as may not be suffering from illness, and whose services may not be required on board the vessel, to such particular spots as may from time to time be selected by the Resident as places of quarantine, there to remain for a period of seven days. If a case of cholera occurs among such passengers and crew during any such period, they shall remain in a place of quarantine for a period of fifteen days from the date of the occurrence of the last case of such illness.

VII.—Any mails or cargo which may be brought by any vessel so arriving shall be landed under such precautions as the Health Officer may deem necessary to prevent the spread of the disease.

VIII.—It will be the duty of the Port Officer to facilitate the conveyance to all vessels in quarantine of such supplies of provisions, stores and other articles as may be required by those on board. Such supplies will be placed on the boats of the vessels in quarantine, to be subsequently removed by members of their crews.

IX.—All vessels arriving at Aden and Perim, which may have communicated with vessels coming from Bussorah, shall be subjected to the same quarantine as vessels arriving at Aden and Perim from that Port.

X.—All vessels which have undergone quarantine in the manner above prescribed should have the fact clearly stated on their Bills of Health.

By order of His Excellency the Right Hon'ble the Governor in Council,

J. NUGENT,

Chief Secretary to Government.

The 26th August 1889.—The following notification issued by the Government of India in the Home Department is republished for general information:—

C. E. BUCKLAND,
Offg. Secy. to the Govt. of Bengal.

NOTIFICATION.

GOVERNMENT OF INDIA, HOME DEPARTMENT.

No. 1118, dated Simla, the 13th August 1889.

In the exercise of the power conferred by section 16 of the Indian Merchandise Marks Act IV of 1889, the Governor-General in Council directs that Criminal Courts, in giving effect to the provisions of the Act in respect of trade descriptions of quantity, measure, or weight of the goods specified hereunder, shall observe the following instructions:—

I.—A trade description of length stamped on *grey, white, or coloured cotton piece-goods* shall not be deemed to be false in a material respect unless—

(a) where a single length is stamped, the description exceeds the actual length by more than—

4 inches in pieces stamped as 10 yards long and under.
5 " " " " " " above 10 yards and up to 23 yards long.
7 " " " " " " " 23 " " " 36 " " "
9 " " " " " " " 36 " " " 47 " " "
18 " " " " " " " 47 " long.

Provided that the average length of the goods in question shall not be less than the stamped length;

(b) where a maximum and minimum length are stamped, the described maximum length is greater than the actual length by more than—

9 inches in piece-goods under 35 yards long;
18 " " " " 35 yards and up to 47 yards long;
36 " " " " above 47 yards long;

Provided that no such piece shall measure less than the minimum stamped length.

II.—A trade description of width stamped on *grey, white, or coloured cotton piece-goods* shall not be deemed to be false in a material respect unless the description exceeds the actual width by—

half an inch in pieces stamped as 40 inches or less in width;
three-quarters of an inch in pieces stamped as over 40 inches or under 59 inches in width;
one inch in pieces stamped as 59 inches or more in width.

Provided that the average width of the goods in question shall not be less than the stamped width.

III. A trade description of count or number, length or weight, applied to *grey cotton yarn* shall not be deemed to be false in a material respect unless—

- (a) the described count or number is greater or less than the actual count or number by more than 5 per cent.; or
- (b) the average length of the whole number of hanks in a bundle of such yarn is less than 840 yards; or

(c) in a bundle described as being ten pounds in weight, the number of knots or *moras* of ten hanks each is not the same as, and the number of knots or *moras* of five hanks is not double, the described count or number of the yarn.

IV.—A trade description of count or number applied to a bundle of *dyed cotton yarn* shall be accepted as indicating length only, the hank being taken to measure 840 yards, and it shall be deemed to be false in a material respect if it exceeds the actual length by more than 5 per cent.

Provided that the average length of the whole number of hanks in the yarn in question shall not be less than the described length.

V.—A trade description of length applied to *thread of any kind* (of cotton, wool, flax, or silk) shall not be deemed to be false in a material respect unless it exceeds the actual length by more than 1 per cent.

VI.—The dimensions of goods on which their length or width is stamped shall be determined by measurement in imperial yards of thirty-six inches.

A. P. MACDONNELL,

Secretary to the Govt. of India.

CALCUTTA, the 21st August 1889.

NOTIFICATION.

IN accordance with the Government of Bengal Notification of the 23rd July 1887, notice is hereby given that the next half-yearly examination of compounders will be held at 11 A.M. on Monday, the 21st October 1889, and subsequent days, at the Campbell Medical School.

2. Every candidate must produce one of the following certificates:—

- (a) From the Superintendent of a Vernacular Medical School that he has attended regularly for one year the compounder class of the school.
- (b) From the legally qualified medical manager of a chemists' and druggists' establishment recognised by the Inspector-General of Civil Hospitals, Bengal, that he has been apprenticed for a period of three years in his establishment.
- (c) From a Civil Surgeon, that he has assisted in the dispensing of drugs at the Sudder dispensary of a Civil station for a period of five years.

3. Applicants must register their names and submit their certificates, together with a fee of Rs. 3, at least one week before the 21st October 1889 at the office of the undersigned.

NOTE.—The students belonging to the compounder class of a Vernacular Medical School will be exempted from paying this fee on producing a certificate from the Superintendent that they have already paid the school entrance fee.

4. Should any candidate fail to pass the required examination he will forfeit his fee.

N.B.—The attention of candidates is drawn to rule 5, section (b) of the Government notification of the 23rd July 1887, or paragraph 2 (b) of this notification, from which they will observe that the chemists' and druggists' establishments from the legally qualified medical manager of which they obtained their certificates, will have to be recognised by the Inspector-General of Civil Hospitals, Bengal, prior to the candidates applying to the Superintendent to register their names to appear at the examination.

No. 49.

His Excellency the most Honourable the Governor-General of India
in Council.

MY LORD MARQUIS,—I forward herewith, for the information of your Government, a copy of a letter from the Foreign Office, and enclosures, relative to quarantine regulations at Russian ports in the Black Sea.

I have the honour to be,
MY LORD MARQUIS,
Your Lordship's most obedient, humble servant,
CROSS.

Foreign Office, dated 18th June 1889.

From—The RT. HON. SIR JAMES FERGUSON, BART, G.C.B., M.P.,
To—The Under-Secretary of State, India Office.

I AM directed by the Secretary of State for Foreign Affairs to transmit to you, to be laid before the Secretary of State for India in Council, the accompanying despatch respecting the quarantine imposed in Russian Black Sea ports on ships arriving from infected ports in India after having touched at a clean port.

St. Petersburg, dated 10th June 1889.

From—The RT. HON. SIR R. B. D. MORRIS, G.C.B.,
To—The Marquis of Salisbury, K.G., &c., &c., &c.

I HAVE the honour to transmit herewith to your Lordship a copy of a notice from the non-official part of the Odessa Official Journal, which I have received from Mr. Consul-General Sandwith, limiting to three months the time during which vessels arriving from cholera-infected Indian ports are liable to quarantine.

Mr. Sandwith states that in answer to enquiries he made of the Governor-General he has received an official reply from His Excellency to precisely the same effect.

"*Vedomosti Odesskovo Gradon achalstva*" No. 108, dated 20th May, 1st June 1889.

TRANSLATION.

Vessels which on a previous voyage have been to India and called at cholera-infected ports frequently arrive at Black Sea quarantines with clean bills-of-health granted at British ports.

According to the existing regulations issued to the Black Sea Quarantine Authorities, such vessels had to undergo at the Black Sea ports a quarantine of observation irrespective of the length of time which might have elapsed since they had left a cholera-infected port.

Now the Chief of the District, with the consent of the Ministry of the Interior, has granted that those vessels arriving from cholera-infected ports of India, which have been cruising about for more than three months since they left a cholera-infected port, be exempted from a quarantine of observation, provided that during the voyage nobody on board has been ill with cholera and that the crews of these vessels on their arrival at a Black Sea quarantine should prove to be in a perfectly satisfactory state of health.

No. 3583, dated Bombay Castle, the 31st August 1889.

From—J. DE C. ATKINS, Esq., C.S., Acting Under-Secretary to the Government of Bombay, General Department,

To—The Secretary to the Government of Bengal.

I AM directed to forward herewith, for the information of the Government of Bengal, copy of a Resolution of this Government, No. 3580, dated 31st instant, and of the notification issued thereunder, regarding the enforcement of the B Quarantine Rules at Aden and Perim against arrivals from the Ports of the Persian Gulf.

Quarantine: Imposition of—at Aden and Perim against arrivals from the Ports of the Persian Gulf.

No. 3580, dated Bombay Castle, the 31st August 1889.

[GENERAL DEPARTMENT.]

Telegram from the British Consul at Alexandria, dated 29th August 1889:—

“Egypt has imposed quarantine on arrivals from all Ports of the Persian Gulf.”

Telegram from the Government of India, Home Department, dated 29th August 1889:—

“No. 266. Your telegram 26th. Imposition of quarantine at Aden and Perim against arrivals from Persian Gulf Ports, sanctioned.”

RESOLUTION.—A notification should be published in a *Bombay Government Gazette* Extraordinary, bringing the B Quarantine Rules into operation at Aden and Perim against arrivals from the Ports of the Persian Gulf.

2. Copies of the notification should be forwarded to the Political Resident, Aden, and the other Officers and Departments concerned, for information, with reference to Government Resolution No. 3512, dated 26th instant. Copies should also be forwarded to the Governments of India, Bengal, Madras and Ceylon, and the Chief Commissioner, Burmah.

J. DE C. ATKINS,

Acting Under-Secretary to Government.

Bombay Castle, 31st August 1889.

No. 3580.—In exercise of the power conferred by Act I of 1870, the following Rules for Quarantine against Cholera have been made by the Government of Bombay, with the previous sanction of the Governor-General in Council: they have effect from the 24th instant in the Ports of Aden and Perim as a temporary measure:—

- I.—The Commander of every vessel, including huggalows or other native craft, arriving from the ports of the Persian Gulf, shall, before entering the harbour, indicate by signal the port from which such vessel has come.
- II.—Such Commander shall not, except as hereinafter provided, allow any communication, either with the pilot boat, except orally, or with the shore, or with any other vessel or boat in the harbour.
- III.—Immediately on arrival, the Commander shall cause the letter R of the Commercial Signal Code to be hoisted, and shall keep the said flag flying during his stay in port, or until authorised by the Health Officer to haul it down. If communication with the shore is not desired, the vessel shall anchor at such place as may be pointed out by the Port authorities, having regard to the season of the year. If communication with the shore is desired, the Health Officer shall go alongside the vessel, and, after all necessary enquiries, shall direct the Commander to take the vessel to the quarantine anchorage duly appointed and notified in that behalf by the Resident, there to remain for a period of seven days from the date of arrival, or for the shorter period prescribed in Rule IV, and undergo disinfection, which should apply as well to crew, passengers, effects, and susceptible goods.

IV.—If the Health Officer of the Port has sufficient evidence that no cases of a suspicious nature have taken place on board during the voyage, and if the vessel is besides in good hygienic condition, the duration of the quarantine will be diminished according to the following scale:—

After eight days of voyage	six days of quarantine.
Do. nine ditto	five ditto.
Do. ten ditto	four ditto.
Do. eleven ditto	three ditto.
Do. twelve ditto	two ditto.
Do. thirteen ditto	and upwards	...	twenty-four hours of quarantine.

V.—If during the period a vessel is at the quarantine anchorage aforesaid, any case or cases of cholera should occur on board, the said vessel shall remain in quarantine for a period of seven days from the date of the last case occurring, and be subject to all the prohibitions provided for in Rule III.

VI.—When any vessel has been placed in quarantine as aforesaid, the Health Officer may direct the removal of so many of the passengers and crew as may not be suffering from illness, and whose services may not be required on board the vessel, to such particular spots as may from time to time be selected by the Resident as places of quarantine, there to remain for a period of seven days. If a case of cholera occurs among such passengers and crew during any such period, they shall remain in a place of quarantine for a period of fifteen days from the date of the occurrence of the last case of such illness.

VII.—Any mails or cargo which may be brought by any vessel so arriving shall be landed under such precautions as the Health Officer may deem necessary to prevent the spread of the disease.

VIII.—It will be the duty of the Port Officer to facilitate the conveyance to all vessels in quarantine of such supplies of provisions, stores and other articles as may be required by those on board. Such supplies will be placed on the boats of the vessels in quarantine, to be subsequently removed by members of their crews.

IX.—All vessels arriving at Aden and Perim, which may have communicated with vessels coming from the ports of the Persian Gulf, shall be subjected to the same quarantine as vessels arriving at Aden and Perim from that Port.

X.—All vessels which have undergone quarantine in the manner above prescribed should have the fact clearly stated on their Bills of Health.

By order of His Excellency the Right Hon'ble the Governor in Council,

J. NUGENT,

NOTICE TO MARINERS—(No. 85).

INDIAN OCEAN.

NINE DEGREE CHANNEL.

Regarding a newly discovered reef.

IN continuation of Notice to Mariners No. 80, dated 23rd ultimo, Commander Alfred Carpenter, R.N., in charge of the Marine Survey of India, has given notice that information has been received through the Master Attendant of Colombo, that Captain Mets of the S. S. *Noord Brabane* discovered a reef 3 miles in length in latitude $8^{\circ} 45' N.$, longitude $78^{\circ} 40' E.$, which position is about 50 miles N. E. of Minikoi. As no mention is made of soundings over it, and as a breaking reef of that length would not have escaped observation before in such a well frequented channel, it appears probable that a tide ripple, and not a reef, was observed.

The locality should, however, be navigated with caution until more satisfactory information is elucidated.

See Charts 2737, 827, and 748b.

GULF OF ADEN.

Shoal eastward of Ras Doan—Gulf of Tadjura.

The British Admiralty has given notice (No. 275 of 1889) that the Commander of the French vessel-of-war *Météore* reports the existence of a shoal eastward of Ras Doan, northern shore of gulf of Tadjura:—

This shoal, over which the *Météore* grazed, has a depth of 10 feet on it, and is situated nearly half a mile eastward of Ras Doan.

Position, approximate, lat. $11^{\circ} 47\frac{1}{2}'$ N., long. $43^{\circ} 2\frac{1}{2}'$ E.

BAY OF BENGAL.

ORISSA COAST.

The following new tidal signals have been hoisted on Chandipore flag-staff at entrance of Burrabulung (Balasore) River for the purpose of facilitating the better navigation of that port and its approaches:—

At high-water—The blue ensign will be hoisted at the *Eastern* yard-arm of Chandipore flag-staff and kept there until the water begins to fall; it will then be dipped 6 feet, remaining so until the water has fallen 3 feet, when the ensign will be hauled down and run up to the mast-head.

At low-water—The blue ensign will be hoisted at the *Western* yard-arm of Chandipore flag-staff and kept there until the tide begins to rise; it will then be dipped 6 feet and kept so until the water has risen 3 feet, when the ensign will be hauled down and again mast-headed.

NOTE.—These signals will not interfere with the present arrangement of hoisting the ensign at the mast-head on the approach of vessels.

AFRICA—EAST COAST.

RED SEA—WESTERN SHORE.

Shoal reported eastward of Shab Muhammed—South Musawwa Channel.

THE British Admiralty has given notice (No. 262 of 1889) that the Commander of the steam-vessel *Citta di Milano* has reported the existence of a shoal, lying about 7 miles eastward of Shab Muhammed, in the southern entrance to South Musawwa channel.

This shoal, with an estimated extent of about one cable, has 23 feet water on it.

Position as given, lat. $15^{\circ} 16' N.$, long. $40^{\circ} 50' E.$

NOTE.—North-east of a line parallel to the trend of coast, and passing through Shab Muhammed and Three fathom bank, the examination of the depths has been of a very cursory nature, and navigation is attended with considerable risk.

Unsuccessful search for the bank reported southward of Ras-al-Ara. Extension of foul ground eastward of it.

With reference to No. 76 of the 5th instant, and previous Notices to Mariners issued by this office on the subject, the British Admiralty has given notice (No. 257 of 1889) that information has been received from the Political Resident at Aden, dated 5th July 1889, that an examination of the locality, for the distance of 5 miles around the above given position, has been made in H. M. I. M. S. *Dulhausie*, with the result, that no signs of the bank were discovered, and that the soundings as charted appeared to be reliable.

Also, that 10 miles eastward of the reported position of the bank, or in lat. $12^{\circ} 31' N.$, long. $44^{\circ} 31' E.$, the foul ground is possibly extending south-eastward, the water shoaling from 17 fathoms to 11 fathoms in one cable's length.

Regarding a newly discovered reef.

IN continuation of Notice to Mariners No. 80, dated 23rd ultimo, Commander Alfred Carpenter, R.N., in charge of the Marine Survey of India, has given notice that information has been received through the Master Attendant of Colombo, that Captain Metz of the S. S. *Noord Brahm* discovered a reef 3 miles in length in latitude $8^{\circ} 48' N.$, longitude $73^{\circ} 40' E.$, which position is about 50 miles N. E. of Minikoi. As no mention is made of soundings over it, and as a breaking reef of that length would not have escaped observation before in such a well frequented channel, it appears probable that a tide ripple, and not a reef, was observed.

The locality should, however, be navigated with caution until more satisfactory information is elucidated.

BAY OF BENGAL.

ORISSA COAST.

The following new tidal signals have been hoisted on Chandipore flag-staff at entrance of Burrabulong (Balasore) River for the purpose of facilitating the better navigation of that port and its approaches:—

At high-water—The blue ensign will be hoisted at the *Eastern* yard-arm of Chandipore flag-staff and kept there until the water begins to fall; it will then be dipped 6 feet, remaining so until the water has fallen 3 feet, when the ensign will be hauled down and run up to the mast-head.

At low-water—The blue ensign will be hoisted at the *Western* yard-arm of Chandipore flag-staff and kept there until the tide begins to rise; it will then be dipped 6 feet and kept so until the water has risen 3 feet, when the ensign will be hauled down and again mast-headed.

NOTE.—These signals will not interfere with the present arrangement of hoisting the ensign at the mast-head on the approach of vessels.

HIGH COURT NOTICE.

HIGH COURT—Original Side.

NOTIFICATION.

Dated 14th September 1889.

The following Jury Rules were read and passed as the Rules and Orders of the High Court of Judicature at Fort William in Bengal, and are now published.

By order, &c.,

R. BISHANBEE, *Registrar.*

THE JURY RULES, 1889.

I. All existing rules now in force in the High Court relating to the qualification, summoning, empanelling, and serving of jurors are hereby rescinded, and the following rules are made in lieu thereof:—

II. These rules shall be called "The Jury Rules, 1889" and shall take effect from the first day of November 1889.

VI. Subject to the provisions hereinbefore contained, and subject to the right of objection contained in section 278 of the Code of Criminal Procedure, 1882, any person whose name shall be on the Jury list then in force shall be qualified and liable to serve as a juror as aforesaid.

VII. On some day, not less than six weeks before the commencement of each Session, one of the Judges of the High Court shall cause to be made out lists of the persons to be summoned as Special and Common Jurors, respectively, for such Session. The list of Special Jurors shall contain the names of forty, and the list of Common Jurors the names of eighty persons of those respectively included in the list of Special and Common Jurors. The lists shall be respectively called "The Special Jurors' List" and "The Common Jurors' List" for the particular Session, designating it by the date on which it is to commence; and shall be prepared as follows:—

(1) The names of all persons, if any, ordered to be entered in the list of Special Jurors for such Session under Rules VIII, XI or XVI, shall be first entered in the said list, unless the Judge shall be satisfied as regards any one or more of such persons that he or they will be unable, from illness or other sufficient cause, to attend at such Session, in which case the name of such person may be set aside in the same manner as it might have been set aside under Rule VIII, if the name had been drawn by lot for such Session. The Judge shall then cause to be drawn by lot the names of such a number of persons qualified and liable to serve on Special Jurors as, with those already on the list, will, subject to the provisions of these rules, make up the number of forty persons qualified and liable to serve on Special Jurors, and the names of such forty persons shall be entered upon and form the list of Special Jurors liable to serve and to be summoned as Special Jurors for such Session.

(2) In like manner the names of all persons, if any, ordered to be entered in the Common Jurors' List for such Session under Rules VIII, XI or XVI, shall be first entered in the said list, unless the Judge

shall be satisfied as regards any of them that such person will be unable, from illness or other sufficient cause, to attend at such Session, in which case the name of such person may be set aside in the same manner as it might have been set aside under Rule VIII; if his name had been drawn by lot for that Session. The Judge shall then cause to be drawn by lot the names of such a number of persons qualified and liable to serve on Common Juries as, with the names already on the list, will, subject to the provisions of these rules, make up the number of eighty persons qualified and liable to serve on Common Juries, and the names of such eighty persons shall be entered upon and form the list of Common Jurors liable to serve and to be summoned as Common Jurors for such Session.

Mode of proceeding to draw the names of the Special and Common Jurors to be summoned.

VIII. The mode of proceeding to draw the names of such Special and Common Jurors, respectively, shall be as follows:—

The names of all the Jurors in the list of Special and Common Jurors, respectively, prepared by the Clerk of the Crown, shall be numbered consecutively. The number attached in the list of Special Jurors to the name of each Juror liable to be summoned as a Special Juror for the Session for which the list of Special Jurors is to be prepared, shall be written on a bone or ivory counter, the several counters being all, as nearly as may be, of equal size and shape, and such counters shall be put together by the Clerk of the Crown into a box, and, on the day to be fixed for drawing the names of the Jurors, the Clerk of the Crown shall, in open Court, draw, or cause to be drawn, the said counters one after the other, until the requisite number of Special Jurors shall be obtained. The Juror on the Special Jurors' List, whose number on such list shall correspond with the number drawn, shall, subject to the provisions in these rules, be entered in the Special Jurors' List for the Session, and a number denoting the order in which the name of each Juror is so drawn shall be set against the name of such Juror in the Special Jury List for the Session.

A similar course, *mutatis mutandis*, shall be adopted in drawing the names of the Common Jurors.

The Judge may order the name of any person who has actually served as a Juror in the preceding year, and of any person known or believed to be dead, absent from Calcutta, or likely to be unable from illness or otherwise to attend, or known or believed not to be qualified or liable to serve as a Juror under these rules, to be set aside; and in every such case

Names of deceased persons or persons not liable to serve or excused from service, to be set aside.

Names of persons excused from service to be entered in list for future service.

an additional name shall be drawn in lieu of that so set aside, and the Judge, if he think fit, may order the name of any person so set aside, except on account of death or disqualification, to be entered on the list of Special or Common Jurors, as the case may be, for any subsequent Session to be then fixed.

IX. The names, additions and places of abode of the several persons included in such Special and Common Jurors' lists for the Session shall be written therein and numbered in the order in which they shall have been drawn, and such lists shall be signed by the Judge.

Order in which names to be arranged in lists with additions and places of abode.

Judge.

X. A copy of such lists shall be annexed to a Precept to the Sheriff, commanding him to summon the first thirty-five on the list of Special Jurors, and the first sixty-five on the list of Common Jurors, and, in case he shall not be able to summon the whole of the first thirty-five or sixty-five, as the case may be, then to summon as many as shall be necessary to make up the full number of thirty-five or sixty-five of those in numerical order in such lists respectively next after the first thirty-five or sixty-five.

Copy of lists to be annexed to Precept to Sheriff to summon Special and Common Jurors in numerical order.

XI. Any person whose name is included in the Special or Common Jurors' list for any Session may apply to the Clerk of the Crown to cause him to be excused from attendance as a Juror, either generally or at the particular Session. Such application shall be made at least one week before the day fixed for the commencement of the Session, and shall specify the grounds upon which the application is made. The Clerk of the Crown shall, as soon as possible after the last day allowed for making such application, bring them before one of the Judges of the Court, and such Judge shall pass orders thereupon, which shall be communicated by the Clerk of the Crown to the respective applicants. If the Judge shall think fit to excuse any of the applicants from attendance at the particular Session, he may do so unconditionally, or on condition of his serving at the next or some subsequent Session to be fixed, and any such conditional order shall operate as an authority to the Clerk of the Crown to include the name of such person in the list for such subsequent Session under the provisions of Rule VI.

Name of Juror excused attending at one Session, on condition of his serving at a subsequent Session, to be inserted in the list for such Session.

XII. Every person named in the lists mentioned in Rule IX shall forthwith, or as soon as possible after the receipt of the Precept by the Sheriff, be summoned by him to attend at the Session for which he shall have been appointed to serve as a Juror, and such summons shall be served at least ten days before the first day of the Session.

Summons to be summoned ten days before the first day of the Session.

XIII. A summons to a Juror who resides out of the limits of the Town of Calcutta, and to whom access at his office or place of business within such limits is denied to the Sheriff's Officer, as also all notices, orders, or other proceedings required to be served on him, shall, unless otherwise ordered,

Service of summons or process.

be addressed to him at his office or place of business aforesaid, or at his place of residence, and forwarded to him by post duly registered. The transmission by post as aforesaid of every such summons, or notice, or of a copy, authenticated by the seal of the Court, of every such order or other proceedings, shall, unless good cause be shown to the contrary, be deemed sufficient service thereof.

By post.

Personally.

Sheriff to return Precept with two panels, one of Special Jurors, the other of Common Jurors, showing in tabular form names and particulars of service, and accounting for non-service.

particulars of service upon each; and if any person or persons named in the lists annexed to the Precept shall not have been served, the panel shall state that fact, and the reason why such person or persons has or have not been summoned; and in every case the reason why such service has not been effected shall be verified by the affidavit of the Officer whose duty it was to effect such service, and such affidavit shall be filed with the Clerk of the Crown, with the return to the Precept.

XV. The Sheriff shall, as soon as possible after service of the summons, and not later than one week before the commencement of the Session, return the Precept to the Clerk of the Crown, with two panels annexed thereto, one of the Special Jurors, and one of the Common Jurors, which panels shall show in a tabular form the names of the persons summoned and the particulars of service upon each; and if any person or persons named in the lists annexed to the Precept shall not have been served, the panel shall state that fact, and the reason why such person or persons has or have not been summoned; and in every case the reason why such service has not been effected shall be verified by the affidavit of the Officer whose duty it was to effect such service, and such affidavit shall be filed with the Clerk of the Crown, with the return to the Precept.

Sheriff's return to be immediately laid before a Judge for orders.

If called a number of jurors not served, further names of Jurors to be drawn by lot, as provided by rule VIII.

XVI. On the receipt of such return the Clerk of the Crown shall, without delay, bring the same before one of the Judges of the Court. The said Judge may, if necessary, examine the Sheriff's Officer or Officers as to the truth of such return, and as to the circumstances of the service or of the absence of service on any person, and may direct service to be made upon the person or persons not already served in such manner as to him shall seem fit. The Judge, if he think fit, may cause the name of any person returned by the Sheriff as not summoned to be entered on the list of Jurors, either Special or Common, as the case may be, for any subsequent session to be fixed by the Judge.

XVII. If the Judge shall be of opinion that the number of jurors named in either of the said lists who shall have been served is not likely to be sufficient, he may cause to be drawn by lot, in the mode provided by Rule VIII, such further number of names as may be requisite, not exceeding forty and eighty respectively.

XVIII. Such lists shall be called the Supplemental Lists of Special or Common Jurors, as the case may be, and shall be prepared and signed in the manner heretofore provided with respect to the original lists, and copies thereof shall be sent to the Sheriff with an additional Precept, and the Sheriff shall, as soon as possible after the receipt of such additional Precept, cause the persons named therein to be summoned to attend at the Session, and shall return the Precept to the Court not later than one clear day before the first day of the Session, with a panel similar to that provided by Rule XV in respect of the original lists and Precept.

XIX. In order to nominate a jury for the trial of any prisoner or other person to be tried by Jury, the Clerk of the Crown shall cause to be put together into one box cards or pieces of parchment containing the names of all the persons summoned to serve on the Common Jury for the Session, if the trial is to take place before a Common Jury, or on the Special Jury, if the trial is to take place before a Special Jury, except such of the said persons as shall have been excused by the Judge from serving on that day in consequence of his having served as a Juror on the previous day, or for any other cause. Such cards or pieces of parchment shall be, as nearly as may be, of equal size, and each shall bear the name of one person summoned to serve on the jury for that Session. The Clerk of the Crown shall then in open Court draw or cause to be drawn out of the said box nine of the said cards or pieces of parchment, one after another; and if any of the jurors whose name shall be so drawn shall not appear, then such further number shall be drawn until nine jurors shall appear. The prisoner or person to be tried shall be informed that, if he desires to object to any juror, he must make his objection before the juror is sworn. The names of the jurors shall then be called aloud; and if, upon any challenge or objection either by the Government or the party to be tried, or for any other lawful cause, a juror is not allowed to serve, or is exempted from serving, the Clerk of the Crown shall draw out another card or piece of parchment from the said box, and so on, until nine jurors shall have been drawn who shall be allowed to serve.

Jury how to be drawn and empanelled.

Common Jury for the Session, if the trial is to take place before a Common Jury, or on the Special Jury, if the trial is to take place before a Special Jury, except such of the said persons as shall have been excused by the Judge from serving on that day in consequence of his having served as a Juror on the previous day, or for any other cause. Such cards or pieces of parchment shall be, as nearly as may be, of equal size, and each shall bear the name of one person summoned to serve on the jury for that Session. The Clerk of the Crown shall then in open Court draw or cause to be drawn out of the said box nine of the said cards or pieces of parchment, one after another; and if any of the jurors whose name shall be so drawn shall not appear, then such further number shall be drawn until nine jurors shall appear. The prisoner or person to be tried shall be informed that, if he desires to object to any juror, he must make his objection before the juror is sworn. The names of the jurors shall then be called aloud; and if, upon any challenge or objection either by the Government or the party to be tried, or for any other lawful cause, a juror is not allowed to serve, or is exempted from serving, the Clerk of the Crown shall draw out another card or piece of parchment from the said box, and so on, until nine jurors shall have been drawn who shall be allowed to serve.

XX. If, by reason of absence, or disallowance on challenge, or any other cause, there be a deficiency of jurors, the Court may command the Sheriff, or other officer, to name or summon a sufficient number of persons to make up a full jury; and the Sheriff or other officer shall, at such command of the Court, return such men duly qualified to serve as shall be then present, or can be found to serve on such jury, and the course of proceeding shall be the same as if their names had been returned in the panel and drawn by ballot under Rule XIX, provided that, in case of a Special Jury, the additional jurors may be taken from the list of Common Jurors summoned to serve at the same Session if a

sufficient number of jurors qualified to serve as Special Jurors shall not be present in Court.

XXI. After each Session the Clerk of the Crown shall make an entry in the list of jurors opposite the names of those who shall have served at such Session, or shall have been summoned to serve at such Session, and shall not have made default, together with the date of service, or of the Session for which he shall have been summoned to serve.

After every Session entry to be made against the name of each non-defaulting Juror.

XXII. No person shall be summoned to serve upon any inquest before a Coroner unless he is on the Common Jury List, nor, except in the case of necessity, within the period of twelve months after he shall have served on a Coroner's inquest or shall have been summoned to serve on a Coroner's inquest, and shall not have made default. The Coroner shall keep a copy of the Common Jury List, and shall enter therein the names of the persons who shall have served or been summoned to serve and not made default, and the date of the inquest at which such juror shall have served or for which he shall have been summoned to serve.

Only persons on Common Jury List eligible to serve on Coroner's inquest, and except in case of necessity, no Juror to be summoned again within twelve months.

	Poop deck*	6	...	9
	Hurricane deck	6	...	Nil

In all seasons there should be on the uppermost deck, exclusive of the space occupied by passengers carried on that deck, 4 square feet of airing space for each passenger on the between deck, and 4 square feet of airing space for each passenger on the main deck, if such deck can be closed in. The uppermost deck should be taken to mean that deck at any part of the vessel over which there is no other deck.

If saloon passengers are carried on any voyage, the number of passengers that may be carried under the certificate is to be reduced by the number allowed for the saloon or poop deck.

3. The weight of the anchors and the size and quantity of the chains with which a ship is required to be furnished under Rule X should be such as are required under Lloyd's rules.

GREAT BARRIER REEF.

Lark Pass Rock north-westward of Swinger Reef.

The following Notice to Mariners (No. 298 of 1889), issued by the British Admiralty, is republished:—

Information has been received from Lieutenant and Commander George Piria, H.M. Surveying Vessel *Paluma*, of the existence of a rock north-westward of Swinger reef, western entrance to Lark pass, Great Barrier reef:—

This rock is a detached coral head of small extent, with a depth of 4 feet on it at low water springs, and 8 fathoms all round. It is situated with the beacon on Swinger reef (as placed on Admiralty Charts), bearing S.E. $\frac{1}{2}$ E. distant 3 cables.

Position, lat. $15^{\circ} 14' 10'' S.$, long. $145^{\circ} 33' 30'' E.$

DIRECTIONS.—Vessels anchoring north-westward of Swinger reef should anchor outside this rock in 10 fathoms, but if intending to anchor closer in, the beacon should not be steered for until it bears S.S.E. or southward of that bearing.

INDIAN OCEAN.

NINE DEGREE CHANNEL.

Regarding a newly discovered reef.

In continuation of Notice to Mariners No. 80, dated 23rd ultimo, Commander Alfred Carpenter, R.N., in charge of the Marine Survey of India, has given notice that information has been received through the Master Attendant of Colombo, that Captain Mets of the S. S. *Noord Brabane* discovered a reef 3 miles in length in latitude 8° 48' N, longitude 73° 49' E., which position is about 50 miles N. E. of Minikoi. As no mention is made of soundings over it, and as a breaking reef of that length would not have escaped observation before in such a well frequented channel, it appears probable that a tide ripple, and not a reef, was observed.

The locality should, however, be navigated with caution until more satisfactory information is elucidated.

BAY OF BENGAL.

ORISSA COAST.

THE following new tidal signals have been hoisted on Chandipore flag-staff at entrance of Burrabuloug (Balasore) River for the purpose of facilitating the better navigation of that port and its approaches :—

At high-water—The blue ensign will be hoisted at the *Eastern* yard-arm of Chandipore flag-staff and kept there until the water begins to fall; it will then be dipped 6 feet, remaining so until the water has fallen 3 feet, when the ensign will be hauled down and run up to the mast-head.

At low-water—The blue ensign will be hoisted at the *Western* yard-arm of Chandipore flag-staff and kept there until the tide begins to rise; it will then be dipped 6 feet and kept so until the water has risen 3 feet, when the ensign will be hauled down and again mast-headed.

NOTE.—These signals will not interfere with the present arrangement of hoisting the ensign at the mast-head on the approach of vessels.

Present:

THE QUEEN'S MOST EXCELLENT MAJESTY IN COUNCIL.

Whereas by the Merchant Shipping Act Amendment Act, 1862, it is enacted that whenever it is made to appear to Her Majesty that the rules concerning the measurement of tonnage of merchant ships for the time being in force under the principal Act have been adopted by the Government of any foreign country, and are in force in that country, it shall be lawful for Her Majesty by Order in Council to direct that the ships of such foreign country shall be deemed to be of the tonnage denoted in their certificates of registry or other national papers, and thereupon it shall no longer be necessary for such ships to be re-measured in any port or place in Her Majesty's dominions, but such ships shall be deemed to be of the tonnage denoted in their certificates of registry or other papers in the same manner, to the same extent, and for the same purposes, in, to, and for which the tonnage denoted in the certificates of registry of British ships is to be deemed the tonnage of such ships:

And whereas by the Merchant Shipping Act, 1876, it is enacted that "where Her Majesty has power under the Merchant Shipping Act, 1854, or any Act passed or hereafter to be passed amending the same, to make an Order in Council, it shall be lawful for Her Majesty from time to time to make such Order in Council, and by Order in Council to revoke, alter, or add to any Order so made":

And whereas it was made to appear to Her Majesty that the rules concerning the measurement of tonnage of merchant ships in force under the Merchant Shipping Act, 1854, had been adopted by the Government of His Majesty the German Emperor, with the exception of a difference in the mode in certain steamers of estimating the allowance for engine-room, and such rules were in force in that country, and came into operation on the 1st day of January 1873:

And whereas by Order in Council, dated the 26th day of June 1873, Her Majesty was pleased to direct as follows:—

- (1) As regards sailing ships, that merchant sailing ships of the said German Empire, the measurement whereof should, after the said 1st day of January 1873, have been ascertained and denoted in the registers and other national papers of such sailing ships, testified by the date thereof, should be deemed to be of the tonnage denoted in such registers and other national papers in the manner and to the same extent and for the same purpose in, to, and for which the tonnage denoted in the certificate of registry of British sailing ships is deemed to be the tonnage of such ships.
- (2) As regards steam-ships, that merchant ships belonging to the said German Empire, which are propelled by steam or any other power requiring engine-room, the measurement whereof should, after the said 1st day of January 1873, have been ascertained and denoted in the registers and other national papers of such steam-ships, testified by the dates thereof, should be deemed to be of the tonnage denoted on such registers or other national papers in the same manner and to the same extent and for the same purpose in, to, and for which the tonnage denoted in the certificate of registry of British ships is deemed to be the tonnage of such ships: Provided, nevertheless, that should the owner or master of any such German steam-ship desire the deduction for engine-room in his ship to be estimated under the rules for engine-room measurement, and deduction applicable to British ships instead of under the German rule, the engine-room should be measured, and the deduction calculated according to the British rules.

And whereas it has been made to appear to Her Majesty that a new Imperial Ordinance, which came into operation on the 20th day of June 1888, stipulates that the owners of German steam-ships may have the net tonnage of their vessels calculated according to British as well as according to German rules, and shall have issued to them a separate certificate to be used in foreign countries showing the net tonnage calculated according to British rules:

And whereas it has been made to appear desirable to Her Majesty that the provisions of the said recited Order in Council of the 26th day of June 1873 should be revoked, and a new Order in Council made and substituted in lieu thereof:

Now, THEREFORE, Her Majesty, in virtue of the powers vested in Her by the said recited Acts, and by and with the advice of Her Privy Council, is pleased to direct that the said recited Order of the 26th day of June 1873 shall be, and the same is hereby, revoked, and in lieu thereof, and in substitution therefor, Her Majesty is hereby pleased, by and with the advice of Her Privy Council, to direct as follows:—

- (1) As regards sailing ships, that merchant sailing ships of the said German Empire, the measurement whereof, after the said 1st day of January 1873, has been ascertained and denoted in the registers and other national papers of such sailing ships, testified by the date thereof, shall be deemed to be of the tonnage denoted in such registers and other national papers in the same manner and to the same extent and for the same purpose in, to, and for which the tonnage denoted in the certificate of registry of British sailing ships is deemed to be the tonnage of such ships.
- (2) As regards steam-ships, that merchant ships belonging to the said German Empire, which are propelled by steam or any other power requiring engine-room, the measurement whereof shall, after the said 1st day of January 1873, have been ascertained and denoted in the registers and other national papers of such steam-ships, testified by the dates thereof, shall be deemed to be of the tonnage denoted on such registers or other national papers in the same manner and to the same extent and for the same purpose in, to, and for which the tonnage denoted in the certificate of registry of British ships is deemed to be the tonnage of such ships: Provided, nevertheless, that if the owner or master of any such German steam-ship desires the deduction for engine-room in his ship to be estimated under the rules for engine-room measurement and deduction applicable to British ships instead of under the German rule, the engine-room shall be measured, and the deduction calculated according to the British rules, and that, in the event of any such steam-ship possessing a certificate of tonnage or other national paper issued as aforesaid on or after the 20th day of June 1888, denoting the net registered tonnage of such ship under the British rules, the ship shall be deemed to be of the tonnage so denoted thereon.
